The meeting focused on progress updates, discussing page layouts and planning future tasks related to form development.

The team discussed progress on various pages, including the listings page, buy page, and homepage. Ideas were shared for the account page layout, with a profile picture and menus linking to different sections. Plans were made to start working on a form for selling and renting items, with more time available after Monday.

Ashrita will look into creating a form for selling and renting items
The team will meet next on 09/29/24
